

Dear Parents / Guardians,

The Irene-Wakonda Elementary-JH/HS School will be using Facebook to offer updates about upcoming events, information and details for parents / guardians. Our aim is to update the page regularly, we want to share opportunities we offer, communicate informally and quickly and be more accessible. Please still follow our normal school procedures; it is not going to be used as a way to receive direct messages about individual children.

I would like to remind you that the page will not be used as a means to air concerns, views or negative comments. If you have any worries or concerns about anything related to your child or anything to do with school, please contact your child's teacher.

Photo permission

Many of the pictures / videos that we will add to our page will be group activities, such as class pictures, group work, activities within the classroom and other events of children enjoying their day in school. It will be a closed page so will only be viewed by members of the Irene-Wakonda Elementary/High School page.
